resist temptation, we will find that God has something better for us. Something we are tempted to do always seems good, but if we God has something better in mind for us if we resist temptation. something better in mind for them if they resisted temptation, resisted temptation. Remind your family that just like you had special dessert, or some other reward for the family members who back and see if any of the candy or snacks are missing. Prepare a as long as a few days. At whatever time you choose, call everyone Leave it out for a set amount of time: as short as an afternoon to bowl out where all can access it, and check back on it periodically. something better for them if they resist temptation. Leave the family that they can eat the snack if they want, but that you have items for every member of the family, yourself included. Tell your of Oreo s and an individual packet of Skittles, as well as tempting your son's favorite is Oreos, you would have an individual packet candy. For example: if your daughter's favorite treat is Skittles and member and it should be that family member's favorite snack or in it for each family member. There should be one item for each who can resist temptation. Place a bowl with one tempting thing Tell your family that you have something special planned for those
