## Grapple Question:

How Do I Know God's Voice?

## Kids Learn:

Learning to Hear God

## Dig Into the Bible:

Judges 6:33-40; James 1:5-7; 3:17; 1 John 4:1-6

With all the noise and confusion going on in the world, how can you help your preteen learn to hear God?

Play this game as a family. Collect several objects that make noise (radios, cellphones, TVs, noisy toys, even buzzers from board games) and turn them all on in one room of your house. Then take turns whispering a sentence to the rest of the family from across the room. (Or play in the car—just crank up the radio and see if you can hear what the person in the back seat has to say!)

Discuss these questions:

- What was the hardest part of this game?
- What distracts us from hearing God's voice?
- How can we tune in to God this week?
