## Grapple Question:

Why Doesn't Everyone Just Believe in Jesus?

## Kids Learn:

The Need to Accept Christ's Gift

## Dig Into the Bible:

John 1:6-13; Romans 10:9-13

Your kids may have friends and relatives who don't believe in Jesus, and that could be disturbing to them. Stress to your preteens the need to pray for these people to accept Jesus. Encourage your children to share their own faith with friends and family. If they get discouraged because friends or family members aren't changing their views, remind them that most people have to hear about what Jesus has done for us several times before believing—and only God himself can change a person's heart.
