

Family/Activity

Help Me Through— Use a paper towel tube to make a Help Me Stick for your family. Get the whole family to help decorate it. Remind your family of the Main Point and write it on the stick: God Helps Me Through Others And God Helps Others Through Me! Tell them that you want to get the Help Me Stick through your entire family. When someone in the family helps the person who has the Help Me Stick with a chore or a task, he or she gets the Help Me Stick. Then that person has to pass on the stick to someone who helps them. Once the last person in the family has the stick, start over. See how many times your family can get the Help Me Stick through your entire family in one week. Three times? Five? Maybe ten times? If you reach your goal give the family a special treat such as a movie night, or eating at a favorite restaurant.
