Family Activity

Invited to Invite Others- Pick a day when you can sit down with your family to make custom invitations for friends and family to come to church. You can decorate these however you like, but make sure to include the church information such as address, service times, and church website address. You may also want to personalize the invitations by inviting a friend to spend the night and go to church the next morning or offering to give someone a ride to church with you. While making the invitations, explain to your family that God invites everyone to follow Him and that we should also invite others to learn how to have a relationship with Him.
