Grapple Question:

Can Being a Christian Ever Be Fun?

Kids Learn:

Friendship With Jesus Is Fun

Dig Into the Bible:

John 10:10; 15:15; Philippians 3:4-9

Can you imagine the twinkle in Jesus' eye when he walked across the water to the disciples while they were in the boat? Or what about the time Jesus multiplied the bread and fish so everyone could eat. He told great stories and invited kids to sit on his lap. How often do you think Jesus laughed?

Too often, our kids see only the serious side of our faith. Laugh at your mistakes, and rejoice in God's sense of humor. Tell a joke or two. You and your preteen will both have fun with this. It's great fun to be a Christian!
