What Difference Can I Make?

Serving Others

Mark 10:42-45; Luke 10:38-42; Romans 12:1-3; 1 Corinthians 12:5-11

Young children tend to be egocentric—feeling like the world revolves around them. But preteens are starting to become aware that there are other countries and cultures around the world—many without adequate food, water, and shelter. Your child might become overwhelmed by the thought of trying to help so many hurting people. How *can* one person make a difference?

Think of a time one person made a difference in your life. Maybe a teacher, youth leader, pastor, friend, or family member has made a big impact on you. Share that experience with your preteen to remind him or her that one person *can* make a difference.
